4. "Moose Calls: The Best of Bullwinkle Sings"

"MISSOURI MISH MASH"

(26 EPISODES, SHOWS 1-13)

Starring: Bullwinkle J. Moose, Rocky J. Squirrel, Natasha Fatale, Boris Badenov, Fearless Leader, Gidney & Cloyd.

Running time: 88 minutes

It's time for the annual Moose Convention, so Bullwinkle is packing his bags and heading for Missouri—but not if Boris and Fearless Leader can help it! The no-goodnicks drive Rocky and Bullwinkle off course and straight into the not-so-peaceful Peaceful Valley. There are no last laughs for Boris, though, when Bullwinkle discovers a hat that turns anyone who wears it into the smartest person in the world. Bullwinkle decides he better get that hat to Washington, where they really need some smarts, but will Boris and Fearless Leader stop him before he gets there?!

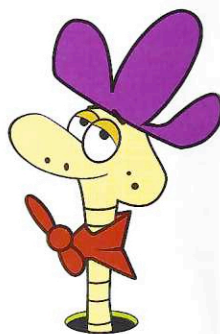

"LAZY JAY RANCH"

(18 EPISODES, SHOWS 14-22)

Starring: Bullwinkle J. Moose, Rocky J. Squirrel, Natasha Fatale, Boris Badenov, Lazy Jay.

Running time: 61 minutes

When Rocky and Bullwinkle buy Lazy Jay's ranch in Squaw's Ankle, Wyoming, they find out that Lazy Jay really lives up to his name. Nobody told them it was a worm ranch, though! Is that why Boris is snooping around all dressed up like a cowboy or could he be planning to rob Hogbreeder's National Bank? There's only one way to find out, but with all this action, Squaw's Ankle isn't going to stay a secret for very long!

"THE THREE MOOSKETEERS"

(8 EPISODES, SHOWS 23-25)

Starring: Bullwinkle J. Moose, Rocky J. Squirrel, King Wuncelaus, Francois Villain, Athos, Philippe Mignon.

Running time: 27 minutes

It's all for one and one for all, but one's a moose and the other's a flying squirrel! When the villainous Francois Villain runs the king out of Applesauce Lorraine, the original Three Musketeers find themselves two musketeers short. A moosketeer will have to do, and Rocky comes along to keep Bullwinkle out of trouble. A close shave with the guillotine and a little carpet cleaning—boy those dungeons get dusty—is all it takes for Rocky and Bullwinkle to bounce the bad guy out of town and undepose the king right back on his throne!

"TOPSY TURVY WORLD"

(14 EPISODES, SHOWS 27-33)

Starring: Bullwinkle J. Moose, Rocky J. Squirrel, Natasha Fatale, Boris Badenov, Captain Peachfuzz.

Running time: 47 minutes

Is it cold in here or is it just Boris and Natasha? Those rotten no-goodnicks are up to their old tricks again. This time they are trying to turn the world upside down with some crazy weather patterns. What better way to make Christmas come early so they can steal all Santa's presents? It's Rocky and Bullwinkle to the rescue! That is, if they make it off the once-tropical island of Riki Tiki, where the shivering Riki Tikians want to have our heroes over for dinner—literally!
